

EARLY START FOR BETTER¹

POSSIBILITIES

FOR PEOPLE WITH UNCONTROLLED TYPE 2 DIABETES

RYBELSUS[®]
semaglutide tablets 3mg|7mg|14mg

A GAME CHANGER. A LIFE CHANGER

This is a model and not a patient

Weight loss can **change the game positively**²

>15% - T2DM remission, reduced mortality due to CV events

10-15% - Improvement in heart disease, fatty liver, sleep apnea

5-10% - Prevention of diabetes, improve cholesterol, PCOS, fatty liver

0-5% - Reduce blood pressure and blood glucose

Visit HCP Portal to learn more
